

23.07.2010

Press Release

In regard to the formation of the Legislative Council in Tamil Nadu, based on the population data to Census 2001 and the data received from the districts and Secretariat Departments, proposals are nearing finalization for the delimitation of the local authorities; teachers and graduates constituencies. The proposals will be sent in a day or two to the Election Commission of India for pre-scrutiny. In regard to the qualifications equivalent to graduation, which the State Government has to specify with the concurrence of the Election Commission of India, proposals are likely to be formulated in another 2 days.

2. As regards Educational Institutions (within the State) to be specified by the State Government with the concurrence of the Election Commission of India as not lower in standard than that of Secondary School, the proposals have been formulated.
