

Press Release

The facility for generation of 'C' & 'F' forms online has been made available to the Registered dealers of Tamil Nadu through the Commercial Taxes website www.tnvat.gov.in with effect from 1st November 2012.

Through this facility, the dealers will be able to generate 'C' & 'F' forms online immediately after filing their monthly returns in electronic mode.

This facility enables the dealers to generate the 'C' & 'F' forms (which is required for their interstate purchases and stock transfers) without visiting the respective Assessment Circles. The Dealers would be immensely benefited by this facility since it would eliminate delays and reduce the interface between Department and Dealers.
