

Press Release

The facility of filing the Monthly Returns online for the Dealers of Tamil Nadu is available through the Commercial Taxes website www.tnvat.gov.in and all the monthly return filing Dealers were mandated to file their returns online.

At present approximately 80% of the Dealers in the State are filing their returns online. The Government aims to bring 100% e-governance in the State. To achieve this objective, the Commercial Taxes Department will not accept any manual returns from the month of July 2012 (June 2012 Monthly Returns). Therefore, all the monthly returns filing Dealers are requested to e-file their returns. A Helpdesk has been set up in every assessment circle to assist the Dealers who are not familiar with e-filing.

Commissioner of Comemercial Taxes.
