Dear Dr. Karunanidhi ji,

Thank you very much for your letter of 17 July about the restoration of normal life in northern and eastern Sri Lanka and the contribution that we, in India, can make to this process.

As a measure of our continuing interest and the importance that we attach to this issue, I am sending a senior official from the Ministry of External Affairs to visit Sri Lanka and to consult with our High Commissioner and the local authorities, visiting the northern and eastern provinces to measure progress in these areas.

With warm regards,

Yours sincerely,

(Manmohan Singh)
