Vide reference 2nd cited, the registration of Power of Attorney involving immovable property has been made compulsory. After passing of this Act, certain doubts were raised by the Registering Officers and to clarify the doubts, the following clarifications are issued.

Vide reference 3rd cited certain clarifications with respect to Special Power of Attorney has been issued.

It has come to notice that still certain doubts persist among registering officers regarding matters relating to registration of Power of attorney. Hence following clarifications are issued.

Sl.No.	Doubt	Clarification
1	Whether the registration of Power of Attorney is compulsory?	If one or more individual is/are granting Power of Attorney relating to immovable property (other than those executed outside India) to one or more persons, then the registration becomes compulsory on or after 1.12.2012, as provided in Tamil Nadu Act 29 of 2012. If the Power of Attorney granted is in respect of movable property then the registration is optional. Similarly if the Power of Attorney has been granted in respect of immovable property before 1.12.2012 then the registration is also optional.
2	Whether an unregistered deed of Power of Attorney relating to immovable property executed outside India can be accepted for registration of further documents?	Sec 17(1) (h) of the Registration Act, 1908, mandates compulsory registration of "instruments of Power of Attorney relating to immovable property <u>other than those executed outside India</u> " Thus, any Power of Attorney relating to immovable property executed outside India does not require compulsory registration. Consequently further document presented (based on such unregistered Power of Attorney executed outside India) can be accepted for registration.
3	Whether the General Power of Attorney deed relating to immovable property	Though the amended Section 28 (a) of the Registration Act stipulates that "Power of Attorney shall be presented

	<p>registered outside Tamil Nadu can be accepted for registration of further documents?</p>	<p>for registration in the office of the Sub-Registrar within whose sub-district the whole or some portion of the property to which such document relates is situate in the State of Tamil Nadu", the Proviso clause appended to said clause (a), on the other hand stipulates that Power of Attorney may also be presented for registration in the office of the Sub-Registrar within whose jurisdiction the Principal ordinarily resides.</p> <p>Section 28 (b) of the Registration Act, 1908 says "any document registered outside the State of Tamil Nadu in contravention of the provisions of clause (a) shall be deemed to be null and void"</p> <p>The Power of attorney relating to immovable property situated in Tamil Nadu which is registered in other States is saved from the sweep of Section 28(b) by the proviso clause appended to Section 28(a). Hence there could be no bar for a Power of Attorney being registered outside the State of Tamil Nadu if the principal happens to reside ordinarily in a place which is situated in a State other than Tamil Nadu.</p> <p>Therefore it is clarified that such Power</p>

4	Whether a Power of Attorney executed outside India not having property details can	Sec. 21 of the Registration Act, 1908, prescribes that immovable property shall be described sufficiently in the

Hence, if a Power of Attorney does not have property details in accordance with section 21, it cannot be accepted for further registration of documents. If a Power of Attorney is given only for purchase of property, the same could not be expected to indicate the exact property description details. Hence such POA for purchase can be accepted for registration of Sale deed, Mortgage/DOT and related documents.
5	Whether authorising a person to execute and present a document on behalf of a Company/Partnership Firm/LLP by the Partners/Directors has to be treated as POA requiring compulsory registration?	Such authorisation cannot be considered as a Power of Attorney. Since, all the Partners/Directors of the Company/Partnership Firm/LLP cannot execute a document, it becomes necessary for them to identify a suitable person to execute the document on behalf of Company/Partnership Firm/LLP through a resolution/authorisation. This resolution/authorisation should be enclosed as part of the document.
6	Whether the signature of Power Agent and production of original Power of Attorney is/are required for cancellation of Power of Attorney?	This has been clarified in Sl.No.11 vide reference 1 st cited. This clarification is reiterated.
7	Whether a Power Agent can	Section 190 of the Indian Contract Act,

8	<p>Whether a company/ Partnership firm/LLP can be appointed as an Agent?</p>	<p>Vide circular 3rd cited this point has been clarified. A company/Partnership firm/LLP can be appointed as an Agent.</p>
9	<p>What is the jurisdiction for registration of deed of cancellation of Power of Attorney?</p>	<p>A deed of revocation or cancellation of Power of Attorney can be registered either where the property is situated or within the jurisdiction the principal ordinarily resides at the time of registration of cancellation/revocation deed.</p>
