

**PRESS RELEASE**

Election Commission of India has introduced use of VVPAT (Voter's Verifiable Paper Audit Trail) System in the sample Parliamentary Constituencies(PCs) for the ensuing General Elections to Lok Sabha, 2014. Parliamentary Constituency No.04 Chennai Central Parliamentary Constituency is the Parliamentary Constituency for this purpose in Tamil Nadu. This facility will be provided to voters in all the 1153 Polling Stations of this Constituency . Under this facility, the voter would be able to see a printout of the symbol of the candidate to whom he has voted for the symbol would be printed by the machine and this would be visible through a glass window. The printout of the image would be retained in the machine.

2. Training to Master trainers to handle VVPAT Systems will be given by the Election Commission of India at New Delhi. Subsequently, Master Trainers will train polling staff pertaining to said Parliamentary Constituency.

CHIEF ELECTORAL OFFICER  
TAMIL NADU
